Welcome to the Practice

Partners: Dr Peter Mooney and Dr Joanna Beattie
Salaried G.P. Elizabeth Martinez

The surgery is a non training inner city practice covering most of the S3, S4 and S5 areas.

Our practice cares for almost 6500 patients, a large majority of these are from ethnic minorities, from many countries around the world and interpreters are frequently used in our work.

We recognise that many patients in this area have severe and complex health needs and we try to make sure that they have access to the care they need.

We are a very busy practice so please be patient with us if there are any delays!

We welcome your views and suggestions on all aspects of care.

Accountable Named GP

All patients registered with this practice are allocated a named GP.

- Your accountable GP is responsible for your overall care at the practice, however you are welcome to see any GP within the practice.
- If you would like to express a preference as to which GP you are assigned, the practice will make reasonable efforts to accommodate this request.
- If you would like to know your accountable GP, please ask at the reception desk.

Help Us To Help You

We strive to offer a high standard of health care at the surgery, please help us to achieve that aim by assisting us in the following way:

Please be courteous to staff at all times as they are working on the instructions of the doctors.

Please attend appointments on time so as not to inconvenience other patients or the doctors.

Please cancel appointments in plenty of time so that it can be offered to someone else and the doctors time is not wasted.

Please note—an appointment is for one patient only.

Please request home visits before 10.30 am, if possible, to enable the doctors to plan their time between surgeries.

Minor ailments can be dealt with by a pharmacist at your local chemist.

The Out of Hours service is available by calling 111. The service is always under extreme pressure and is very costly, therefore, if you can wait until the following day to be seen at surgery it will be greatly appreciated.

PATIENT COMMENTS AND COMPLAINTS PROCEDURE

The practice welcomes comments and suggestions from all patients which could effectively improve our service to you.

Any suggestions put forward will be given full consideration by the partners and implemented where possible.

If you are not satisfied with any aspect of the service you receive from the surgery ask for an informal meeting with the Practice Manager to discuss your concerns.

A formal complaint must be made in writing. Please ask at reception for a complaints pack.

Interpreter services are available on request, if needed. Please note we have to give at least 4 days notice for interpreters.

BURNGREAVE SURGERY
'DID NOT ATTEND' POLICY

On average over 60 G.P. appointments per month are wasted because patients fail to attend.

The effect of this is:-

- An increase in waiting time for appointments**
- Frustration for both staff and patients**
- A waste of resources**

It has been noticed that some patients persistently “did not attend” (DNA) appointments (These include emergency appointments, i.e. when the patient has telephoned and been offered an appointment on the same day after speaking to a G.P.

If a patient does not attend an appointment on three occasions (without notifying the surgery) they will be sent a ‘missed appointments warning letter’ detailing the Practice’s Policy. This letter offers the patient an opportunity to meet with the Practice Manager to discuss any particular problems they may have (social or clinical) which prevents them from informing the surgery when they are unable to attend an appointment.

If you have any concerns in respect of this Policy please ask to speak to the Practice Manager
